Here Are Just A Few Reactions To These Professional Presentations...

"Wonderful. Great presentation & audience participation. We/I enjoyed your philosophies, magic & quick wit. I know the audience enjoyed your little sayings and you could hear them all laughing, etc, so you know you had their attention. Many thanks!"

Barbara Ransome, Decision - Women In Commerce & the Professions

"Just what we needed, something light and fun! The audience loved the magic, the optical illusion and the individual table visits. Reasonably priced too. Thank you!"

Dory Van Norden, NYS Assoc. for the Education of Young Children

"I would like to thank you for your performance. I thought you did a fantastic job. Please use my name if you ever need a reference."

Chuck Copt, Woodbury Personnel Huntington Stn., NY

"A lot of fun for both adults and kids - Even the staff enjoyed the show! The quality of the performance was excellent! Everyone was attentive through the entire show - Not easy to achieve! I have recommended you to our other stores."

Wendy Christensen, Borders Books & Music
