

"Discover The Amazing Secret That Makes Your Bar/Bat Mitzvah *Very Impressive And Unforgettably Fun, While Saving Money At The Same Time!!!!...*"

"Bob, We thought you were GREAT!!. Everything was very suitable for Max's Bar Mitzvah and the price was very reasonable. Max & his friends think you were extremely cool!" - *Betty Feldman, Fairfield, CT*

Dear Parent,

Planning your child's Bar/Bat Mitzvah is an important, big job. Not only do you have to plan for obvious things like a caterer or banquet facility, but you have to worry about hosting the event so everyone is entertained, impressed and hopefully has fun.

Putting together a memorable mitzvah that runs smoothly is tough work! **When realizing that this is one of the most important days in your child's life it can be overwhelming, don't you agree?** Is it possible to entertain the kids, the adults, save money, guarantee a fun time and not be a nervous wreck the day of the event? Yes it is. Read this letter carefully to find out how...

My name is Robert ("Magic Bob") McEntee, and I am a locally well-known, professional magician and mind reader, specializing in Bar & Bat Mitzvah performances so dynamic and fun that people talk about them for months to come. *In fact most of my work comes from people who want their affair to be as impressive in the eyes of their friends as the one where they saw me at.*

Kids love to experience this sort of magic & mind reading close up and personal. Whether I roam through the crowd, or set up in a convenient location for everyone, they'll witness state of the art magic presentations inches away from them at all times.

You'll be delighted to hear the gasps of amazement and laughter as your child's friends are entertained with their own personal shows. Whenever your child isn't busy, they will be the star of these shows, creating wonderful lifetime memories for the "guest of honor".

People go crazy over this magic and young adults particularly enjoy watching it for hours at a time, thus easing your stress. I bring more material with me than I'll even need and choose the best effects for each group. **This way you can relax and enjoy your guests**, knowing that the kids are entertained, which makes the atmosphere much more pleasant.

The reason the kids love this entertainment is because they're involved with it, and the material is very age appropriate. Much of the magic happens right in their hands and involves objects I've borrowed from them. I also teach them one or two tricks they can do themselves, thus ensuring that they and their families will long remember the affair you hosted!

Now, you may be thinking, "Our affair will be great as it is. Why do we need to add your performance?" Well, because the mesmerizing environment I provide is what makes an ordinary affair extraordinary! *And you don't have to worry about if your affair is too big or too small...*

I've performed hundreds of functions whether they were a luncheon at a temple or a large banquet facility affair. By strolling as I perform, I can cover large or small areas or groups. My magic performance is customized to fit your needs...

If you're having a smaller affair and want to bring the whole affair together, you can have me perform a thoroughly enjoyable, "stand-up" Magic & Mind Reading Show, or just a thrilling magical routine performed to music complete with dazzling lights, special effects and fire magic, **which is customized for your celebration!** Your audience will smile and be amazed as they witness this extremely colorful, lively extravaganza featuring incredible magic & illusions, mind reading, tremendous comedy, storytelling, and great audience participation featuring your child as the star of the show!

You can also choose from illusions such as a spectacular production of your child at the beginning of the affair (that's right, if you want the guest of honor to have a truly unique entrance, he or she can literally appear in a puff of smoke to give the affair a spectacular start!), floating them in the air, sawing somebody in half with a power buzz saw, vanishing someone's head and placing a flaming torch through their ears, or a spectacular live animal production for the audience to pet if you want! One must see the looks of joy & wonder on the audience's faces to realize the impact this show has on your event!

"Everyone loved all the different tricks at Adam's Bar Mitzvah! They were all great but perhaps favorites were the flying light-up UFO, and eating fire! You are an amazing magician and should continue your career forever! You were amazing!!! Rave reviews! Whatever you did everyone absolutely loved you & your magic. That was quite obvious from the massive crowd that surrounded you from start to finish. Thank you so much - please use us for a recommendation anytime!" - *Spiegel Family, Rye Brook, NY*

"We wanted to thank you so much for the fantastic job you did at our son Ross' Bar Mitzvah on March 25th. Not only did you keep the kids entertained, but a number of adults told us that you "blew their minds" with some of your tricks! Thanks again for a great day!"
- *Abby & Rich Weiner, Upper Saddle River, NJ*

THE SECRET THAT SAVES YOU MONEY!

This secret alone will help you make the most of your entertainment budget! The secret is that I'm not only a children's entertainer. I've worked for major corporations and numerous other adult only affairs.

These performances truly dispel the myth that "tricks are for kids", because once your adult guests get a taste of it they'll want to watch and participate in the amazement and soon feel like they are young too...

Unlike most forms of entertainment, my magic provides outstanding entertainment for the kids AND the adults! *This interactive entertainment is one of the only things that truly offers something for all age groups, thus making the day a truly unforgettable one!* You get twice the entertainment coverage for one price! Your adult guests will truly appreciate becoming part of the affair through the personalized entertainment I provide, thus leaving them with a highly favorable impression of your affair.

The other secret is that most magicians perform just card magic, and if you're lucky, a few coin tricks. I offer a unique combination of breathtaking magic including floating objects, mind-reading, fun fortune-telling & handwriting analysis, dramatic fire eating, comedy, audience participation, magical games/prizes, and optional adorable balloon sculpturing. The magic is highly visual, meaning everyone will appreciate it even if the music is loud. Since I offer a much wider variety than the standard "magician", you save more money by eliminating the need for additional performers! Plus there are no agency commissions!

"HOW DO WE KNOW YOU'RE QUALIFIED FOR THESE PERFORMANCES?"

As a two term President of the International Brotherhood of Magicians here on Long Island (Ring 317), a graduate of *Mystery School* (the world's leading theatrical school for magicians), and performer at countless top corporate, public and private affairs similar to yours, I am well aware that you have many entertainment options. However none other comes with the following incredible guaranteed combination...

I literally *guarantee* that your child and guests will be delighted with my performance. **My passion for the art of magic means that you get the best possible entertainment at the lowest price of any comparable entertainment! Plus if you are booking a full affair, I even offer a FREE DEMONSTRATION!**

Magic Beyond Imagination! has received rave reviews at over 60 Long Island Libraries, numerous Schools (one of the only such programs approved by BOCES), Yacht Clubs, Cultural Centers, Fire Departments, Fairs & Festivals Book Stores, Corporate Events, and constant private parties at most First Class Restaurants/Catering Halls & Temples. Additionally, I have headlined fundraisers and events for charities such as Developmental Disabilities Institute, Cerebral Palsy Foundation, American Cancer Society, Special Olympics, Huntington Hospital, etc.

The performances generated tremendous enthusiasm for all of the above, and will do the same for your Bar/Bat Mitzvah!

I have enclosed some sample reviews so that you can see what people just like yourself have said about my shows. In fact, I'm so sure you will love my performance, I guarantee it! If you are not completely satisfied, you don't pay - it's that simple! How many other performers make such an offer? With many you're lucky if they even have insurance for your peace of mind!
